

## VACCINE CLINIC RELEASE FORM

### **Initial:**

#### **WE WILL NOT VACCINATE PATIENTS WITH THE INDICATIONS STATED BELOW:**

- 🐾 Are aggressive, temperamental, or unmanageable. This includes cats. Due to our restricted time constraints, we only have an allotted time for each patient. If you have a pet that may be difficult to handle, please notify us beforehand so that way we may discuss options to make your visit fear free as much as possible. If we are unable to vaccinate your pet due to Fear, stress or anxiety, we will have to reschedule for another day.
- 🐾 Exhibiting signs of illness or disease within the past 10 days.
- 🐾 History of vaccine reactions, other than mild lethargy, soreness and sleepiness.
- 🐾 May be pregnant or are nursing puppies/kittens that are less than 4 weeks old.
- 🐾 May have an underlying health condition or are currently taking medication that can interfere with administering vaccinations or could pose a health risk to your pet.

#### **SAFETY PROTOCOLS:**

- 🐾 Upon arrival please remain in your vehicle and call the hospital to check-in. One of our staff members will give you further instructions. Please inform us of the color and make of the vehicle you are in.
- 🐾 Dogs **MUST** always be on a leash and wearing appropriately fitted collars or harnesses to ensure they don't slip out. We will provide a slip lead if needed. For the safety of our clients and staff, if your pet has been known to bite, please notify us so that we can provide you with a muzzle.
- 🐾 Please alert our staff of any known allergies your pet or family member may have, especially to peanut butter. As part of our fear-free clinic, we offer plenty of treats to ensure a happy visit.
- 🐾 Cats **MUST** be in a carrier.

#### **VACCINE RECORDS:**

- 🐾 **Preregistration is highly recommended to help expedite your visit: To preregister please email these documents to [murrietafamilypethospital@gmail.com](mailto:murrietafamilypethospital@gmail.com) 1) new client form 2) vaccine clinic release forms and 3) patient records (please include vaccine history). Documents are located on our website under the resource tab.**
- 🐾 If you are unable to email records beforehand, please ensure you bring them with you on the day of your visit. This may delay your time to get seen as our staff needs to verify what vaccines are needed for your pet that day.
- 🐾 All pets (dogs and cats) over the age of 4 months are required to receive a rabies vaccination as required by the state of California unless valid proof is provided that your pet has received it before. Valid proof includes the correct patient information, correct owner information (our staff will verify) and must be signed by a state licensed Veterinarian.

**OTHER INFORMATION**

🐾 Nail trims can be provided if the pet is cooperative and easy to manage. Services will not be provided to aggressive, temperamental, or unmanageable patients.

🐾 You will receive proper documentation (if applicable) for all vaccinations and other treatments performed.

🐾 Our vaccine clinic will be performed by our Registered Veterinary Technician under the supervision of our doctor. By attending this clinic, you are authorizing the RVT as an agent to render all services.

🐾 We reserve the right to refuse service to anyone who is not in compliance with the terms listed on these forms, or if we believe that the person or person's pet is causing a disturbance or poses a risk to others and our staff.

By signing these documents, I understand and agree to all the terms and conditions of these documents and release Murrieta Family Pet Hospital from any liability or claim that I may have.
